

DO YOU EAT CADBURY'S CHOCOLATE?

We were raised on CADBURY'S chocolate as kids and even into adulthood but I will never eat it again!! I hope from now on you will throw it away whenever you are given any. It seems as though nothing is safe to eat anymore. This is what happens when you eat Cadbury's chocolate!

THIS IS A MEDICAL WARNING!

It could happen to you, your family and friends!

**CADBURY'S
CHOCOLATE
can cause
SMALL FEET!**

Warn everyone!
